

Garib Unnayan Sangstha (GUS)  
Humanitarian Cooperation- according to need

## Right-to-Know-for All Garib Unnayan Sangstha (GUS).

Website: [www.gus.org.bd](http://www.gus.org.bd)

### Introduction:

Kurigram district is a neglected and undeveloped area of the country in Bangladesh & River mother country of Bangladesh. 16 rivers, including the Brahmaputra and Jamuna, the major rivers of the country flowing across the wider area of the northeast of this district, resulting in floods river erosions and other disaster and floods every year floods, rivers Due to breakdown, monsoon, cold wave and Tornado, hundreds of families are landless, homeless, and without resources. Because of the communication system and disaster peoples of this region are deprived from all walks of life, factories are not in the place, and other business commerce has not spread so much that there is no opportunity for local employment in the locality. There is no scope for employment throughout the year, as well as the natural disaster, especially the river erosion, and whistle thunderstorms, there is a chance of poverty in the daily life of the people living in poverty and in the education and health sectors, the opportunities for poor people are reduced. Thus, the area is losing livelihood due to the loss of the environment and is being endured due to over exploitation of population and superstition. Location is very sorry they are family members there are many types of physical and mental tortures, including the lack of employment and fair wages, besides the lack of discrimination and bigotry, religious harassment, prejudice has been denied from all rights of women. The people of this region are deprived of all basic needs. all kinds of disasters happen. Compared to the scarcity of people in this area Co-operation of public private and various donors the amount of humanitarian assistance is far less than the needs of people in the area.
